Scout Promise

I, scouts name,
Promise to do my best
To do my duty to God
and my country,
To help other people,
And
To obey the Law of
the Pack

Tyler R. attends Greenwood Elementary School. The extra activities Tyler does outside of school are reading books, drawing and writing. Tyler is a member of a local church and has relatives that live within the metropolis. He has an older sister and younger brother, one cat named Peek-a-boo and a dog named Jasper. Tyler has traveled with his family to Indiana. A few good deeds that Tyler has done these past three months are helping his grandmother clean her home, assisting the teacher at school and helping a friend collect firewood and loading the firewood into their car.

Alex W. attends Trailridge Elementary School. Alex is interested in playing football and loves science. Alex is a member of a local church and has relatives that live within the metropolis. He has an older brother, two cats named Lily and Albert, and one dog named Suzy. Alex has traveled with his family to Minneapolis. A few good deeds that Alex has done these past three months are helping a neighbor build a deck, perform a community service by helping with recycling and keeping his room clean.

Shawn S. attends Summit Point Elementary School. Shawn does well in math. He and his family does not have a home church. Shawn has relatives that live in Belton, Missouri. He has a younger brother, two cats named Critter and Chief and a dog named Shadow. Shawn has traveled with his family to St. Louis, Shelbina, Macon and Independence, Missouri. A few good deeds that Shawn has done these past three months are cleaning the house and helped other people in his neighborhood.

Sammy R. attends Woodland Elementary School. Sammy enjoys math and plays baseball. He and his family does not have a home church. Sammy has an older sister, two dogs named Otis and Maggy and one cat named Minz. Sammy has traveled with his family to Kansas and Colorado. A few good deeds that Sammy has done these past three months are mowing the lawn, cleaning his room and community service by picking up and recycling aluminum cans.

Sam H. attends Summit Point Elementary School. Sam enjoys playing the Trombone in the brass section of his school band. He and his family does not have a home church. Sam has relatives living in Missouri and some of them live near him around Raintree Lake. Sam has one dog named Madison Shadow H. Sam has traveled with his family to Table Rock Lake. A few good deeds that Sam has done these past three months are helping his mother out around the house, put up Halloween decorations, and performed in a recital at home and at school.

Train Campout

On October 22nd to the 23rd Pack 262 was able to head out to Baldwin, Kansas for the annual Midland Railway over night. The Pack met at Aldersgate at 4 pm and caravanned out to the Midland Depot to catch the train for a nice ride out to the camping area. The evening began with an opening campfire presentation by Den Leader Mark Nelson. Grub master Todd Finley had a good dinner prepared for everyone. Hamburgers/hotdogs, macaroni and cheese, green beans and potatoes was enjoyed by all. The Pack then had a little time to square away bunks, bedrolls, tents or train chairs. After the sleeping quarters were squared away the night activities began. The cubs took part in earning their Chess or Astronomy Belt loop while some of the older scouts earned their whittling chip's. After that, dessert was served. A rather interesting concoction of graham pie crust, apples, bananas, chocolate chips and marshmallows were created and cooked by all. By that time we had run out of day and lights out was at 10 pm. In the morning, with the help of some Boy Scouts, an all you can eat pancake breakfast was served. The Pack then practiced 'leave no trace' by picking up the grounds and making sure everything that they brought in with them left with them. Then it was back on the train for a ride back to the depot where a presentation of train and train track safety was given to the boys. The Pack would like to thank Todd Finley for being Grub Master, to Webelos Kevin L. and Austin F. for going out early and help set up the camp area and to the 11 Boy Scouts (Travis H., John Y., Xaiver D., Joey L., Darrian S., Sean W., Jaeger M., Lane B., Quinn W., Collin D., and Erik H.) that came out and help run the overnight smoothly. Special thanks goes out to Doug Hays where there would be no train overnight trip if it was not for him.....Scout On!

October Pack Meeting Recap

Ghosts, Goblins and Witches...oh my!

October's pack meeting was a haunting success! I believe only one Tiger was scared enough to cry, but was then found scaring his younger sibling the next day. The boys and families enjoyed s'mores by the fire and a haunted trail filled with frightful Boy Scouts. A big thanks goes out to Martha Bowles who was our resident witch and to Ron Bowles for loaning us the use of their cemetery decorations. Our fire pit is quite awesome and we look forward to putting it to work--a lot. Thanks to everyone who stepped in to help where ever they saw the need.

Committee Corner

November 2009

Hello Fellow Scouters,

Our Scouting year is well underway now. Don't miss the Space Derby Pack Meeting coming up on Nov. 19th @6:30pm. This will be a fun one for our scouts. Bring cameras!!

Thank you to all those who participated in the fundraiser. We did very well this year. More details to be announced soon. Which den won the pizza party, and our 1st, 2nd and 3rd place winners!! We will have some extra product available for you to purchase or for your scout to sell to increase his profit for camps and other activities.

We will be in need of volunteers to help unload the truck and sort orders the week of Nov. 16-20th. I will let everyone know what day the delivery will be in. Everyone should pick their orders up as soon as possible the day of delivery. Your den leader will contact you. Please make sure that you deliver the greenery to your customers as soon as possible. If it will be a day or two, you will need to spritz the greenery with water and leave the bag open enough for the product to "breathe". Also, store the product in a cool place.

In December, we will have our Bake Auction/Chili Cookoff/Pie Toss. Details will be forthcoming.

Hope you all are having a great Scouting year. If you have any concerns, or suggestions, please come to the leader meeting to discuss these. The leader meetings are held on the first Thursday of every month.

See you all soon.

Cherie Finley, Committee Chair
